Description

Companion to the major new BBC documentary series CIVILISATIONS, presented by Mary Beard, David Olusoga and Simon Schama Oscar Wilde said 'Life imitates Art far more than Art imitates Life.' Was he right? In Civilisations, David Olusoga travels the world to piece together the shared histories that link nations. In Part One, First Contact, we discover what happened to art in the great Age of Discovery, when civilisations encountered each other for the first time. Although undoubtedly a period of conquest and destruction, it was also one of mutual curiosity, global trade and the exchange of ideas.
